**A Little Happiness for Your Big Day!** 💕

**Love, laughter, and something deliciously sweet!**

At **Yogurt Republic & Gelato Republic**, we believe every celebration deserves a little extra happiness!

Born in Bali, we bring colourful swirls, delicious flavours and plenty of smiles to weddings, parties and special celebrations.

Picture your guests creating their own dessert masterpieces! Swirls of frozen yogurt, creamy Italian-style gelato, refreshing fruit sorbets, fresh tropical fruits, crunchy toppings and delicious sauces. Everyone gets to make something they love!

Want something a little lighter? Our frozen yogurt is a healthier dessert alternative, with Greek yogurt options and protein-rich toppings for those wanting a little extra goodness.

Feeling indulgent? Go wild with chocolate, brownies and all the good stuff!

We can even create special flavours, personalised cups and beautifully themed dessert stations to match your celebration.

From intimate gatherings to big, beautiful Bali weddings, we bring the fun, the flavours and the smiles.
